

Springtime Moments

Dappled light on slated pathway
Gentle breeze sifts through the pines
Fish glide gently through the water
As a chipmunk pauses near to dine.
A red bird sips from a nearby fountain,
Dogwood reaches to the sky.
Spring colors merging all around us
Reach upward to the azure sky.
Tall trees bend in reverent homage
To the verdant scene below.
Peaceful moments in the sunshine
Add memory to the vernal glow.
